

Our children's future in Science and Technology begins here!

"A Title One School"

**BOARD MEETING
MINUTES
October 25, 2019 at 6:00 p.m.**

Meeting opened - at 6:00 p.m. w/ Quorum present. Principal in attendance.

Board members include Monefe Young, Carol Gardner, Darren Smith, and Dr. Shirley Johnson and Advisory board member Dr. Laurel Taitt.

Principal Report

Enrollment – Currently 87 Students for FTE.

Principal presented beginning of the year testing from I-ready and baseline testing. The school Guardian has completed his training working at the school. School will inquire about a substitute Guardian. Data night was conducted and parents with information on the child's current assessment performance according to grade level

I-Ready PMP Data. Students baseline scores are good. Students below grade level are working with current teacher. Those students two or more levels below grade are working with the intervention teacher. We will follow the same intervention plan due to its effectiveness. Teachers will send correspondence home in regards to how many days and minutes student should be on iReady.

Staffing.

All teachers are in field, Ms. Mizinova passed the Elementary school certification test.

ESE/ESOL Currently in compliance.

Evaluation Tool The board approved using the FCPCS evaluation tool for staff, teachers and administrators.
