

CONSENT FOR FLEXIBLE LEARNING

Alpha International Academy will provide educational services to students to the greatest extent possible as a result of the COVID-19 Pandemic. The Flexible Learning Model will occur remotely and in the school building. All instruction will be provided in accordance with the Florida State Standards.

Your child's teacher will coordinate lessons and assessments, along with his or her teammates, according to grade level standards and expectations. Progress updates will be sent to parents via e-mail and/or telephone contact.

Meetings and lessons will not be recorded. Distant Learning will follow the school calendar. Students will be expected to adhere to the Student Code of Conduct and any additional guidelines the School has issued regarding distant learning.

At this time, we are unable to project how a schedule for flexible learning would look. Once we determine the number of families and students that prefer this model, we will then determine if we are able to provide this realistically. It could be an A/B schedule, or a weekly schedule featuring one week in the school and one week at home with remote learning.

Please indicate your preference by signing below:
